

"New Thing"

Team Record 1-2

High Point Tournament

The Lions 86 vs. Gaston Christian 59

"Practice Equals Game Time"

Yes! The Lions started strong and finished strong with a great team effort, which was demonstrated both on the offense and defense. The Lions played stellar on defense as they executed their man-to-man full court pressure along with their zone press, which caused major havoc. During the first two quarters, the Lions' opponent fought hard but to no avail. The Lions kept up their smothering defensive pressure even when their opponent came within six points of their lead. However, the Lions turned up the pressure even greater which caused their opponent to put six offensive players on the floor at one time.

This was a great win for the Lions. They played almost flawless on offense. The Lions scored a season high of eighty-six points and all of their team members scored in this game. Also, there were several astounding feats by the Lions players. Joe Holden grabbed 13 rebounds, David Batson scored a game high 24 points, and Chad Hite scored a game high 25 points inside. The Lions played four solid quarters of self-destructive defense and desperation defense and got their desired results.

The Lions need to remember this game so they can capitalize on what it took them to obtain their first season win. The Lions need to start living up to their team mottos, especially the one which states "This is who they are and this is what they do! "Defense". Also, they need to focus on another team motto which states "Champions are on the same page". If the Lions live up to these two team mottos they will have an unforgettable season.
