

“New Thing” Team Record 12-11
The Lions 63 vs. Hickory Grove 74
"Practice Equals Game Time"

The Lions played an outstanding game, but lost it in the last four minutes due to lack of executing their plays and showing patience on their shot selections. However, through this the Lions showed their determination and their self-destructive style of defense. Also, the Lions learned that if they attack the paint on the offensive end of the court they can play with any team.

The Lions are playing great team basketball but need to implement their three second rule on offense, so their offense does not become stagnate. If this happens, the Lions will see an increase in their team output on offense. Also, they will reap the benefits in their Conference and State Tournaments. This is a very exciting time for the Lions who are improving in the areas of offensive and defensive rebounds. Still, they need to focus on making their free throws because Championship teams make them.

Attending to the details on offense and defense will help this team move toward the team goal to “Finish Strong” in every game. This is a doable goal for the Lions, who need to close out their last season game with a win against a worthy opponent.

Listed below are the offensive and defensive players of the game, along with the individual scores.
