

**“New Thing” Team Record 12-12**  
**The Lions 60 vs. 1<sup>st</sup> Assembly 71**  
*"Practice Equals Game Time"*

The Lions came out strong on defense but could not sustain their defensive pressure throughout the entire game. The Lions' offense gets stagnated by players not setting picks for each other and moving without the ball. Consequently, the Lions coaches noticed that an overhaul is needed concerning the offense in order for the team to make a serious run for the Conference and State Tournament Championships.

The Lions have great potential and need the right offense to boost that potential to the next level. They are fast learners and will pick up on a new offense successfully. So, Lions need to continue to bring on the "chaos" on defense and do a “New Thing” on offense, while staying focused on “Finishing Strong” on every play. If this happens they will find themselves moving in the right direction which is going to the next level. The Lions are well on their way. Wow!!
