

“New Thing” Team Record 13-12
The Lions 67 vs. Westminster 63
"Practice Equals Game Time"

What an awesome game! The Lions really looked marvelous on offense and superb on defense. The Lions' offense showed more poise and patience in this game than the entire season. Yes, this team is pushing ahead and not looking back because the best is yet to come.

The Lions are facing their biggest obstacle in the second round of their Conference Tournament. Their opponent is very skilled and disciplined but is still beatable. The Lions will need to execute on offense and play great defense.

The Lions are ready to begin a new chapter. How will it read? Hopefully, it will read that the Lions are finishing strong and playing with one of their mottos in embedded in their hearts-- “The best decision is the only decision”. If they live by this the Lions will find themselves walking with courage, confidence, and character all the way to the State Championship. The Lions have the faith in themselves to do just that and their coaches definitely believe them. Still, they need to remember that it will take a team effort to win any game because championship teams rely on each other.

Listed below are the offensive and defensive players of the game, along with the individual scores.
