

“New Thing” Team Record 13-13
The Lions 46 vs. Cannon 66
“Practice Equals Game Time”

The Lions played gallantly against an opponent who had dominated them over the last several meetings; but this game was different. The Lions controlled the tempo of the game by running their offense and by walking the ball down the floor when their fast-break was not there. To their credit, the Lions played great basketball, but lost the game by committing too many costly turnovers and not boxing out.

As a result of this game, the Lions learned a lot from this loss which will serve them well in their first state play-off game. The Lions know that they can run offensively with any team and also realize that slowing the ball down can benefit them greatly. This will allow them to execute their half court offense and control the tempo of the game.

The Lions demonstrated more poise in this game than in any other this entire season. Therefore, the Lions are looking forward to their first State Play-off game with a “New Thing” on offense and understanding that boxing out and cutting down on turnovers is the number one priority in order for them to secure a victory. Hopefully, in this game they will embrace one of their team mottos, “Discipline brings about winning”. There is no doubt if the Lions act upon this they will find themselves going deep into the State play-offs. The Lions can do it if only they believe!

Listed below are the offensive and defensive players of the game, along with the individual scores.
