

“New Thing”

Team Record 4-3

The Lions 75 vs. Metrolina 56

"Practice Equals Game Time"

The Lions started out slow both on offense and defense. At the end of the first quarter, the Lions had scored only six points to their opponent's seventeen. This was definitely a shock to their coaches because of their thorough game preparation. However, the Lions' superior Spartan-like training kicked in and in the second quarter the Lions went on a terror and scored thirty points to their opponent's seven, which gave the momentum back to the Lions. With five seconds left to go before half-time, Brandon Spicer made a half court desperation shot which brought the fans to their feet as the Lions celebrated like champions as they went to their locker room.

The Lions came out and started the third quarter with a strong flurry on offense and defense, which allowed them to force their style of play onto their opponent. The Lions are fast and defensive minded which can stifle any team with their desperation defense and self-destructive attitudes. On offense, they attacked the paint with vengeance to score at will on any opponent. Yes, the Lions are for real and need to be taken seriously because of their athletic talent. However, the team needs to focus even more on discipline both on offense and defense. Offensively, the Lions need to execute with greater precision and follow the game plan that has been set by their coaches. On defense, they need to continue to close down on the post and communicate throughout the entire game. Concerning their zone defenses, the Lions need to really stay on their toes, bouncing at all times and communicating and reacting.

This team is playing with a lot of energy and style, yet the players need to live up to another one of their team mottos, “Finish Strong”, in order for them to find themselves at the top of their conference. This truly could be the year of the Lions if only they would remember that God will honor those who honor Him. Therefore, each Lions player should always stay humble and focus on the will of God for their team, community, and others. What an exciting team to watch and learn fundamental basketball. The Lions continue to “Do it right and do it right every time”, another one of their team mottos which has blessed them to be a team of destiny.

The best decision is the only decision.
