

“New Thing” Team Record 12-10
The Lions 48 vs. Asheville School 51
"Practice Equals Game Time"

What a game! The Lions redeemed themselves from their previous game, in which they did not play well at all. Despite the loss, they played like Champions from the start of this game until the end. The Lions have the talent to match any team in their conference and State. However, they need to believe that they can play with any team and allow their actions to prove just that!

Now, the Lions need to focus only on one thing which is to “Finish Strong” in the remaining games and practices to ensure themselves an unforgettable season. They can do the impossible, but the Lions need to stop, look, and listen to their Coaches, teammates, and remember to follow the game plan at all times. If the Lions can achieve such simple tasks they will reap the benefits. This team is on the verge of reading, reacting, and recovering in every game-like situation. So, let’s go Lions-- bring on the ruckus!

Listed below are the offensive and defensive players of the game, along with the individual scores.
