

**“New Thing” Team Record 12-9**  
**The Lions 34 vs. Cannon 75**  
*“Practice Equals Game Time”*

The Lions folded once again to an opponent who had beat them by twenty-eight points early this season. However, this time around the Lions felt the full wrath of their opponent, a team that played with an attitude of total domination. The Lions missed simple lay-ups and insisted on shooting outside shoots when things got rough. Many times when there was a loose ball the Lions players stood around and watched as their opponent captured the prize and scored. Also, some of their players seem to have given up, which is not what their coaches preach or teach.

A disappointing loss, but hopefully, the Lions will play their next game with their no fear policy intact and redeem themselves. If they can accomplish this feat they could learn a lot from this bad experience and become a better team. The Lions are nearing the end of their season and are about to go into the conference tournament and state play-offs. They need to play every game from here on out with a state of urgency. If this does not happen, the Lions' season will come to an abrupt halt with no one to blame but their own lack of commitment to “Finish Strong”. They have been given every opportunity to play as a team and it is expected that they will come through this recent experience and do just that.

**Listed below are the offensive and defensive players of the game, along with the individual scores.**
