

“New Thing” Team Record 10-8
The Lions 71 vs. Gaston Christian 51
"Practice Equals Game Time"

The Lions have taken another step toward their team goal of being defensive-minded in every game. They never relinquished their lead and were not shaken at any point during this contest. Although the Lions allowed their opponent to score too many baskets on back door cuts, their coaches believe that they learned a valuable lesson. The Lions came to understand that they cannot underestimate their opponent nor become complacent during a game. Also, they realize they need to put away their opponent early in the game by going inside and not shooting errant jump shots.

The Lions have a tough game coming up and really need to focus on these areas of the game which have presented a challenge for them throughout this season. Hopefully, they will stay committed to their team motto: "This is who there are and this is what they do: Defense". Yes, the Lions are on a four-game winning streak and are seeking to win another game but the Lions will have to take it by force.

The sky is the limit for this team of warriors as they prepare diligently for a game that will test their defensive prowess and athletic skill. They will really need to play the entire game with their desperation and self-destructive defense in order to make it clear that they are a defensive juggernaut. This will set the stage for the Lions to walk in their destiny and take what is rightfully theirs. So, Lions bring the chaos and remember to “Finish Strong”.
