

“New Thing” Team Record 9-8
The Lions 78 vs. Metrolina 35
"Practice Equals Game Time"

What a great game the Lions played from the start to finish! The Lions came out being defensive-minded and with an attitude to match. Wow!!! They held their opponent to five points in the first period and to four points in the third period. This is definitely a new team record which will stand for a long time. The Lions came up with a team record of steals which was twenty-two. What an incredible display of desperation and self-destructive defense the Lions showed throughout the entire game. Yes, the Lions are on a three game winning streak and are looking forward to continue their winning ways. However, it will take the Lions to focus on "being on the same page" in order for them to break last year's team record which is six games in a row.

Concerning offense, the Lions didn't miss a beat, scoring close to twenty points in each quarter. This is what great teams do consistently. No matter who they play, they always bring their A game. Now, the Lions are on the loose and are demonstrating one of their team mottos, "discipline brings about winning". The Lions must prepare for a tough week ahead and remember to press and reach and don't look back. Therefore, they need to be ready to go "as hard as they can for as long as they can".

The Lions are motivated and focused on seeing their destiny through but it will take more than just this. This team must see itself as competitive on the 3A level and play like it for the rest on the season. Each player must be poised on offense and hyped on defense, because determination, faith and works are what separate a great team from a good team. The question remains, "Can the Lions be a great team and take what is rightfully theirs?" The Lions must answer now because their future awaits them in the next battle against a worthy opponent. The Lions must play with urgency and be defensive-minded at all times. Go Lions!
