Log on to the site using your Username and Password

(2) After logging on, click on students

(3) Click on grades

(4) You will then see Q1, Q2, and Sem1 grades. You will also see an icon under Q3 for each class.

(5) Click on the icon for each class to access the mid-term reports for these classes.

*Be reminded that all NetClassroom users need to change their passwords after logging on for the first time. Also, be reminded that if a username or password is lost/forgotten, please contact [Patty Norris](#) for the Middle School or [Doreen Donnelly](#) for the High School.
