Jackets of any type may be worn to school, but they will be removed while a student is in the classroom. All outerwear must be labeled.

If your child is wearing other than the above, a note will be sent home. Thereafter, you will be asked to bring appropriate clothing to school. Please help us make this the non-issue that it should be.

On Wednesdays, Lower School students are expected to wear chapel uniforms, either season, (boys being allowed to wear navy shorts); students may wear sneakers or other (full toe and back) shoes; and boys may wear white socks with shorts for chapel if they desire.
