

Covenant Day School announces two kindergarten options for the 2010/2011 academic year!

- Kindergarten (K)
  - Hours will be 8:00-12:15. Our excellent original K program with all academics included, as well as the same special subjects such as library time, P.E., and music.
  - Regular kindergarten tuition, with church member and multi-child discounts as applicable.
  - Option to come early for free play before school, just like this year. This option will continue to be free of charge.
  - Option to stay after school up to 5 days a week in Lunch & Literature, our bridge program that goes from the end of the kindergarten day at 12:15 to the end of the Lower School day at 2:50 (2:00 on Wednesday).
    - The new Lunch & Literature tuition will be on a pay-as-you-go basis. Parents will no longer have to commit to a certain number of days/week for the entire year. Drop-ins are still welcome, space permitting.
    - Lunch & Literature offers convenience for parents who wish to leave TK or K students at school up to 5 afternoons a week until it is time to pick up their other students.
    - After Lunch & Literature, children may then go to the After School Enrichment Program (ASEP) for quality care up until 6:00 pm.
  
- Extended Kindergarten (EK)
  - Hours will be the same as Lower School - 8:00-2:50 (2:00 on Wednesdays).
  - EK will be five days a week.
  - Tuition would be the same as Lower School tuition in grades 1-5, with church member and multi-child discounts as applicable.
  - Option to come early for free play before school, just like this year. This option will continue to be free of charge.
  - The mornings (8:00-12:15) will be comprised of the same excellent program as always with all academics included, as well as the same special subjects such as library time, P.E., and music.
  - After 12:15:
    - EK children will eat lunch at school.
    - There will be a second recess in the afternoon.
    - There will be an additional special in the afternoon. Possibilities include:
      - An additional library time
      - Additional Bible time
      - Art
      - Foreign language
      - Additional time in the computer lab for educational games
      - An additional music time

*Please note that all core academics will be taught only in the morning, as always. Your child will be equally ready for first grade no matter which option you choose. We offer Extended Kindergarten so that we might better serve our CDS families.*
