

Letter MAILED to each family on Monday, 11/23/09...

Dear Middle and High School Parents,

The very beginning of our mission statement states our intention to assist Christian families in the training of your youngsters. In an intentional effort on the part of the school to partner with you, we will provide ONLINE access to mid-term grades for middle and high school students beginning this second quarter on December 1st. It is our hope that you have already received an e-mail to this end through our e-blast system. If not, please go to the High School page of the E-News (http://www.covenantday.info/cds_High_School.htm) for a copy of that letter along with the instructions for accessing these grades.

Please find below the User ID and Password for your family.

IF you have any questions, please contact either Scott Dillon (sdillon@covenantday.org) or Jason Klohr (jklohr@covenantday.org).

Scott Dillon
High School Principal
Covenant Day School
