

CDS Ambassadors

Help welcome a new family to CDS!

Think back to your first year at CDS...Do you remember all of those questions you had and didn't know who to ask? You can help by becoming an ambassador to a new family at CDS.

We are looking for people who have the gift of hospitality and would be willing to:

- Be matched with one or two new CDS families. Welcome them and help answer any questions they may have.
- Schedule a "play date" during the summer (at the pool, at a park, at your home) with your new student.
- Attend a small grade level gathering in someone's home for the new girls or boys from your grade before school starts.

If you are interested in becoming an ambassador, please fill out the form below and return to the office or email to jbilliard@gmail.com by April 16, 2010. If you would be willing to host a small grade level gathering, please indicate that on the form. If you know a new family that is in your child's grade and would like to be their ambassador, please list their name below. We especially need families with rising Kindergartners, 6th graders and 9th graders!
