2007 SUMMER READING

Parents-

Attached you will find the required "2007 Summer Reading Lists" for your child's rising grade level.

Friends of the Library will do your shopping for you! We seek to make this process convenient and economical for you while benefiting the CDS Library at the same time!

Review the reading lists, order the books you need, and we will deliver them to your child during the last week of school.

This year we would like to offer a book for you and a book for a teenager in your life (yet, an excellent read for Christian parents as well)!

1. Sacred Parenting ***Gary Thomas*** ***$13.00***

This is not the typical "how-to" parenting book. Thomas encourages parents to see how God is using this responsibility in their lives to grow them closer to Himself, which, in turn, will strengthen their ability to parent wisely.

2. Growing up Christian ***Karl Graustein*** ***$15.00***

"Graustein get s it! He understands the pitfalls and dangers that track with the privilege of growing up in a Christian home. He addresses all the standard temptations: getting ensnared by sin, presuming oneself to be saved, craving for popularity. This book has a look and feel that young people will appreciate. (from Tedd Tripp, author of Shepherding a Child's Heart.)

If you would like to purchase books, simply:

1. **Complete the form below. Please use a separate order form for each student which helps to keep grade levels separate. Books for parents may be included on student's form.**

3. **Return all forms with your student to class or to the school office in an envelope marked "Friends of the Library" by Monday, April 16.**
